Banned Together (2025)
Directed by Kate Way · Tom Wiggin

Each year, Banned Books Week invites us to celebrate the freedom to read and to recognize the importance of access to diverse perspectives. Kanopy helps students and faculty engage with this important moment by providing streaming access to thought-provoking films that explore censorship, intellectual freedom, and the power of storytelling. This Banned Books Week, let these films go beyond awareness and use them to encourage dialogue, challenge restrictions, and uphold the right to access information and ideas.
